Mr. Paul Sauget  
Sauget & Company  
2700 Monsanto Avenue  
Sauget, Illinois 62201

Dear Paul:

This letter is to give you thirty (30) days notification of our intentions to terminate the terms and conditions of Contract 02-03-0565.

As you are aware we have discussed the forthcoming plans to close the W. G. Krummrich Plant's sanitary landfill operated by your company under the above contract. We expect field work to begin within the next month.

We do request that upon receipt of verbal notification from Mr. Frank Basile that you shift the total hauling and disposal of cinders from Monsanto's W. G. Krummrich Plant and its J. F. Queeny Plant to your sanitary landfill. This is consistent with the terms of Contract 02-03-0563 for disposal.

We discussed the possibilities that there will be some changes in our general direction on use of landfills very shortly. Will plan to keep you advised as these directions change. We are continuing to work with our CED personnel concerning the WGK sanitary landfill to see if we can extend the use for another few months.

Very truly yours,

  
Jack W. Molloy  
Plant Manager
